A grayscale background image of a business meeting. In the foreground, a man in a suit is seated at a desk, looking towards the right. Behind him, a woman with long blonde hair is also seated. In the background, a large screen displays the text "Market Share" and three circular progress charts with percentages: 42%, 79%, and 93%. The image is overlaid with dark blue and red geometric shapes, including a large red triangle in the top right corner and a red diagonal line in the bottom left corner.
